

# C3 METAL PLANTERS

A DIVISION OF CODE ELECTRIC PRODUCTS LTD.

## POWDER COATED ALUMINUM WARRANTY AND CARE

C3 Planters products carry a 5-year limited warranty on build/structure and a 1- year limited warranty on powder coat finishes.

This limited warranty applies to defects that arise during normal use of the product and does not apply to damage due to shipping, accident, alteration, misuse or unintended use tampering, negligence, abuse or normal wear and tear.

Any other warranty is hereby expressly excluded and disclaimed by C3 Planters. No agent or employee representative of C3 Planters has the authority to offer any warranty other than specifically provided herein.

C3 Planters will not be responsible for any direct damages sustained to the customer, its employees or others in the handling, storage, use, quality, or condition of the product unless such damages are shown to be directly caused by negligence or omission by us. C3 Planters will not be responsible for indirect or consequential damages however occurring. Customer assumes full responsibility for parts, components or hardware supplied by the customer or specified by the customer and supplied by C3 Planters at the customer's request.

Levellers, glides, or caster performance will vary depending on type and overall levelness of flooring and we assume no responsibility for the performance of such. It is the responsibility of the customer to ensure any products purchased are suitable for the intended use. C3 Planters reserves the right to repair and or replace product in cases where warranty claims are approved.

## CLEANING

Proper care and cleaning can extend the life of your product. To maintain finish, clean regularly with a soft damp cloth and when necessary diluted mild detergent.

Users are responsible to make periodic inspections to look for damage, loose screws, nuts and bolts and structural fatigue. Any product found to be damaged should be immediately repaired or taken out of service.

DO NOT pressure wash your planters!

Planters can get nicks and scratches so handle carefully. If this occurs touch up paint can be utilized if desired.
